DETAIL ACTION

Reasons For Allowance

1. Claims 1-4, 6-10 and 13-15 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to disclose a starter assembly for a gas discharge lamp, the starter assembly comprising at least one switch located in the gas discharge lamp a control unit operable for actuating the switch, wherein the control unit is programmable to receive a first preheat time for the gas discharge lamp and wherein the control unit actuates the switch for a predetermined length of time as required in claim 1 or a magnetic switch located in the gas discharge lamp an electronics module operable to actuate the magnetic switch, the electronics module further comprising an electromagnet and a control unit operable to control the operation of the electromagnet, wherein the control unit comprises a programmable microprocessor as required in claim 9.
3. The remaining dependent claims are allowable for at least above reason.
4. The prior art made of record and not relied upon is considered pertinent to applicants' disclosure. None of recorded prior arts stands alone or combination with others discloses all limitation required in claim invention.
